

York MRI Facility

Standard Operating Procedures

Disclaimer

The information contained in the York MRI Facility standard operating procedures (SOPs) are provided by the Facility Management and are intended for the sole use of the management and users of this research facility. Note that these guidelines do not necessarily represent the governing rules and guidelines of other research and/or clinical MRI sites. By downloading any of the information contained in the York MRI Facility standard operating procedures, you agree to the terms and provisions as outlined in this notice.

The information contained in these SOPs may not be modified without the prior written permission of the York MRI Facility Management. The management welcomes your feedback regarding all areas of these SOPs. If you want to send us your comments please contact wjoy@yorku.ca.
